Local Content

Dairy News Australia partners with the Regional Victorian dairy bodies, in each region, to create local content specific to each section. A number of on farm stories are produced as farmers love to see what other farmers are doing. For farmers this content is real, relevant, and content they can relate to. Further industry news, information and advice relevant to the region is also included.

PUBLISHING EXPERTISE

McPherson Media Group, a family owned company for more than 100 years, based in the heart of Northern Victoria's Dairy Region, are experts in connecting advertisers with customers on the land, today, through multiple platforms.

FLEXIBLE OPTIONS

Advertisers can now target specific regions within Victoria. Options are available to advertise in one, two or all of the regional Victorian sections. This provides businesses to opportunity to promote their products and services specifically in their preferred target market.

DIGITAL AUDIENCE

In addition to the print publication, *Dairy News Australia* has a dedicated website, Facebook page and Twitter profile. A new website is in the making and *Dairy News Australia* will be available free in the App Store and Google Play from July 2017. We look forward to bringing you some innovative digital opportunities in the near future.

ABOUT REGIONAL VICTORIA SECTIONS

From August 2017, every second edition of *Dairy News Australia* will include content dedicated to the specific Regional Dairy markets of Victoria – Murray Region, Gippsland Region, and South West Victoria (new). The content is a result of the integration of *Dairy Direct Magazine* (Gippsland and Murray editions). This content is hyper local to the region and each edition of *Dairy News Australia* with the regional content is only distributed to dairy farmers within the relevant region.

TARGETED DISTRIBUTION

Dairy News Australia is personally addressed and direct mailed, via Australia Post, to every dairy farmer who pays a levy, industry bodies and stakeholders. Each edition of *Dairy News Australia* with the Regional Victorian content is distributed to dairy farmers only within the relevant region.

- Murray dairy farmers receive the National edition with Murray section.
- Gippsland dairy farmers receive the National edition with Gippsland section.
- South West Vic dairy farmers receive the National edition with South West Vic section.
- Dairy farmers outside of Victoria receive the National edition only.
